

AS YOU FELL INTO THE AM, YOU MAY NOT HAVE NOTICED. BUT...

WHEN YOU MANIPULATED THE DREAM BY CONJURING UP A SWORD AND WINGS...

DREAMS
HAVE
RULES
TOO.

SUCH A DREAM-LIKE PHENOMENON, WHILE OBVIOUS, COMES WITH A PRICE.

THE
REAL
YOU IS
DOING
RIGHT
NOW?

HOW
DO YOU
THINK.

IT'S
SIMPLE.

WHEN YOU'RE
IN A LIGHT
SLEEP, YOUR
BRAIN IS SAID
TO BE DREAMING.
SO IT CAN
ORGANIZE ITS
MEMORIES.

DREAMS
OCCUR IN
REM
SLEEP.

DO YOU
STILL
HAVE
YOUR
WINGS?

GASP

THERE
ARE
LIMITS
TO
MAGI-
NATION.

IN THAT
SITUATION,
CAN YOUR
DRAIN AND
BODY BE
AT REST?

WHILE
HAVING
A LIGHT
SLEEP,
YOUR
MEMORIES
AND MENTAL
ACTIVITY
ARE RAGING
AROUND,
NEVER BEING
GETTING
ORGANIZED.

IN GAME
TERMS,
YOU'RE
OUT OF
MAGA
POINTS.

RIGHT
NOW, YOUR
DRAIN HAS
BEEN
EXHAUSTED
TO THE
POINT THAT
IT CAN NO
LONGER
PROCESS
YOUR
ORDERS.

JUST A
MOMENT
AGO, YOU
GOT
SPLASHED
WITH
WATER.
DIDN'T
YOU?

AGAINST MY
BETTER
JUDGMENT.
I WENT
FLYING AND
OWNED
A LOT OF
THINGS

WHOOSH

I WAS
CARELESS

I BETTER
STOP
THAT.

IF I CAN'T
KILL YOU!
YOU'RE
GONNA
ACT SELF-
DESTRUCTIVELY
AREN'T YOU?

WHAT
SHOULD
I DO?

WHAT
DO I
DO?

KA-SHA

I'VE
CHANGED
MY
MIND.

THAT'S
WHAT I
SAID
EARLIER.
BUT...

GWER

IT'S ALL
GOOD
AS LONG
AS YOU
DON'T DIE

HOW
YOUR
CIRCUM-
STANCES
DON'T
MATTER.

KA-CHAK

IF I SHOOT
A BULLET
THROUGH
YOUR HEAD
RIGHT NOW...

NEVER
MIND THE
ARM. I'LL
TAKE A
PART OF
YOUR BRAIN.

WILL YOUR
NECKL DDDY
BE PARALYZED
OR ONLY HALF
OF IT?

I'M NOT
A DOCTOR.
SO I DON'T
KNOW.
I WONDER...

THERE'S
GOTTA BE
AWAY STILL.
CHON! THINK!
THINK!!

WHAT
SHOULD
I DO?

PHEW!
IT LOOKS
LIKE I
MANAGED
TO MAKE IT
IN TIME!

SPLASH

GACHUNK

"MAKE
IT IN
TIME"?

WHOOSH

PSSSHHH

GARNET...

REN ARAI
WAS THE
BULWARK OF
THE SYSTEM,
AND THE ONE
TRYING TO
STOP YOU.

BOOM
